Subject:

ROUGH COST ESTIMATE FOR SUPPLY & INSTALLATION OF NEW 11 KVA PANEL FOR DUAL SOURCE SYSTEM MAYO HOSPITAL, LAHORE (BALANCE WORK).

Vide PUC letter No. 6370/C, dated 09.11.2018 the Executive Engineer 1st Building Division, Lahore has stated as under:

- i. The rough cost estimate amounting to Rs. 11.940 M was submitted to your office during 2017-18. The said estimate includes provision of "HT Panel (Consumer type) 11 KV Grid end Panel, HT Panel (Industrial type) 11 KV Industrial Panel, MV VCB Panel 11 KV VCB change over panel, Termination kits etc." Accordingly, the funds amounting Rs. 11.940 M were placed as the disposal of this office and work also stands completed by this Division successfully. The vouched account of the said amount stands submitted to your office vide this office letter No. 587, dated 07.11.2018.
- ii. However, during installations of above mentioned equipment's the LESCO authorities has advised that installation of "240MM single core PVS/XLPE cable, Termination Kit Indoor for 11 KV VCB Panel as per WAPDA specification and Earth Unit (Boor 150 FT Deep, Copper rod, copper conductor 70mm, GI pipe" is also required to meet with future requirements as well as to avoid any mishap. Therefore, fresh rough cost estimate amounting to Rs. 2.799 M has therefore been prepared and submitted to your office vide this office letter No. 4994/C, dated 28.08.2018 for according administrative approval and allocation of funds.
- iii. It is, therefore, requested that administrative approval amounting to Rs. 2.799 M and allocation of funds may be expedited at the earliest in the best interest of Govt. works.

2. Submitted for orders regarding payment of additional amount to Rs. 2.799 to Executive Engineer 1st Building Division, Lahore.
