King Edward Medical College is an institution of great provenance and reputation with an illustrious alumni network spread across the world. The Mayo Hospital is one of the largest and oldest teaching hospitals in the region that offers multiple areas of specialized care and has been catering to citizen health needs with devotion and distinction.

With the vision, oversight, and support of the new Board of Governors these prestigious, over 150-year-old institutions are now embarking on a mission to strengthen, upgrade and modernize medical education and health service delivery, keeping in view the latest and best international developments in these fields.

We are now in the process of recruiting future leaders who will help develop and spearhead multiple reforms, build teams, strengthen processes, and suitably reconfigure structures, thereby furthering and entrenching a culture and ethos to elevate these key institutions to greater levels of performance and service.

The Board of Governors seeks the kind attention of qualified and experienced female and male candidates with commendable leadership experience, excellence in professional achievement, a reputation of high integrity, and demonstrable past performance in terms of successful introduction of sustainable reforms in relevant fields of medical education, public health administration and service delivery.

Salaries and terms of employment will be competitive and keeping in view highest industry standards.

These positions will provide tremendous opportunities to play key roles in national institution building, raising of professional standards, and provision of quality public service.
