iv: " the procuring agency shall evaluate the technical proposal in the manner prescribed in advance, without reference to the price and shall reject any proposal which does not conform to the specified requirements"

The decision given by the grievance redressal committee (GRC) with respect to T.E # 30 and 91 is that

**The committee decided to refer case of T.E No 30 and 91 to TEC for evaluation of samples received by GRC.**

**Reply:** With reference to item No. 30 and 91, it is submitted that no samples (with advertised specifications) were initially provided at the time of bid submission. As GRC is considering the acceptance of new samples at this point, the TEC committee checked these specifications and evaluated the samples.

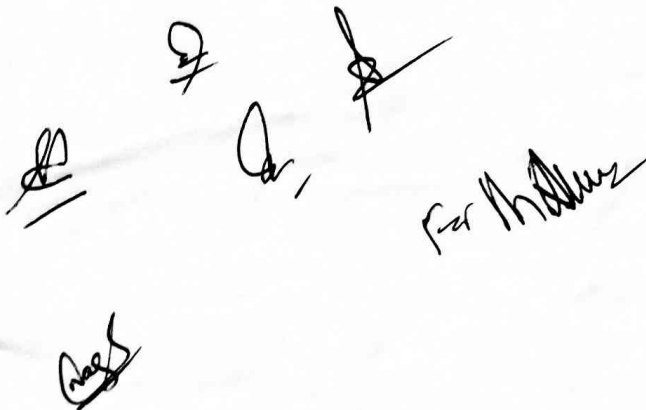

**Results:** The new samples provided by M/S Essity and M/S Mediserve through GRC via letter No. 69735 dated 16-10-2023. The specifications and evaluation of T.E 30 and 91 are reviewed, and they align with the required specifications.

**Item No. 11: Grievance Submitted by M/S Mediserve for T.E # 73, 74 and 87 (Tender Code A012 Surgical Disposables)**

With reference to TE # 73, 74 and 87 it is submitted that The TEC has already assessed the specified parameter of samples as per the specifications provided in the advertisement. If GRC deems it appropriate, they may re-evaluate these items from another statutory body.

**Item No. 11: Grievance Submitted by M/S Mediserve for T.E # 104 (Tender Code A012 Surgical Disposables)**

With reference to TE No 104, it was typographical error, the disparity has already been resolved via corrigendum vide Letter No. 738/Ortho-I/ MHL dated 12-10-2023. This result of T.E # 104 is overall responsive.
