**MINUTES OF MEETING OF COMMITTEE CONSTITUTED VIDE NO. PA/ CEO/ 53983-86 DATED 24.08.2023, HELD ON 29.08.2023 VIDE MEETING NOTICE NO. ORTHO-II/426/KEMU/MHL DATED 25.08.2023 FOR RE-EVALUATION OF K-WIRE**

The meeting started at scheduled date & time to Re-Evaluate the Sample provided by the Grievance Redressal committee of K-wire M/s. Surgiquips advertised against T.E Code 79, for procurement of Orthopedic Implants (A09) for the F.Y 2023-24.

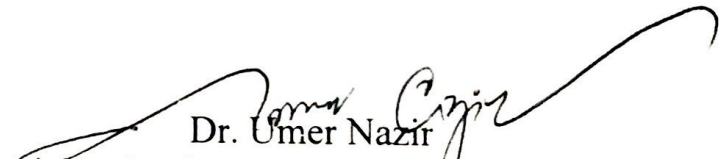

The Committee evaluated the sample on following parameters:

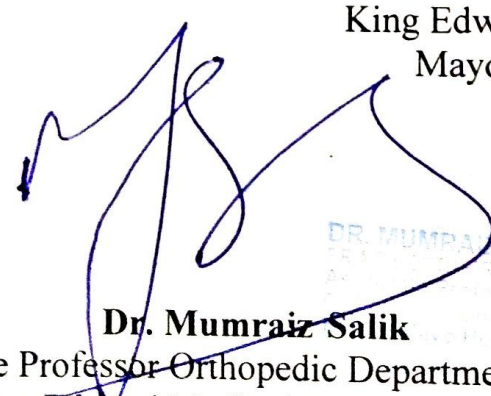

1. Smoothness of Wire
2. Tip Sharpness
3. Flexibility
4. & Prone to bend & Break

The parameters evaluated were found suboptimal and can't be used for fractured patients as it will provide less than adequate fracture fixation.

The Sample evaluated by the said Committee was handed-over to Grievance Redressal Committee after signature of the Committee.
