Sub: MEETING OF GRIEVANCES COMMITTEE REGARDING TENDER CODE A05 LAB KITS & CHEMICAL ITEMS FOR THE YEAR 2024-25

Dear Sir,

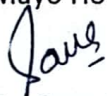

Please refer subject cited matter.

The Grievances Committee conducted a meeting of Grievance Committee on 8th August 2024 to address grievances pertaining to Tender A05 Lab Kits & Chemical Items. It is pertaining to mention here that as per available record Eleven firms participated in the said tender and all were disqualified. Three firms submitted grievance against the report of Technical Evaluation Committee. During the perusal of TEC report it has been observed that Technical Evaluation Committee has marked zero marks to firms in clauses (4) & clause (5) of Part-B. The grievance committee is of the view that the Clause (4) of Part-B is meant for Drugs/ Medicines and shall be exempted. The committee is also of the view that clause (5) of Part-B stands for Local Manufacturer and shall also be exempted for imported items. It is likely that some firms may have not submitted grievance due to these clauses.

In view of above, the committee hereby recommends referring the matter back to Technical Evaluation Committee to award marking after exemption of clause (4) for all bidders & clause (5) for imported items - of Part-B, so that all firms may be given equal opportunity to file grievance if deems necessary after notification of new TEC report.
